* Federal Employees' Compensation Act; Longshore and Harbor Workers' Compensation Act.

TABLE 9a MAXIMUM BENEFIT PAYMENTS AND NUMBER OF WEEKS FOR SELECTED PERMANENT PARTIAL DISABILITIES (cont.)

- 1/ Ratings for compensation purposes are determined as a percentage of permanent total disability (**Alaska, California, Idaho, Kentucky, Minnesota, Montana, Nevada, and West Virginia**).
- 2/ Monaural loss is determined as a percentage of binaural loss (**South Dakota, Tennessee, Texas and Utah**).
- 3/ **Florida**: Benefits are paid according to a wage loss formula, rather than on a statutory schedule, subject to a maximum of 364 weeks of compensation for disability greater than 24 percent.
- 4/ **Georgia**: Total amount payable is based on statutory schedule
- 5/ **Indiana**: Benefits are paid according to the degree of permanent impairment suffered by the employee.
- 6/ **Kansas**: Total amount payable is \$100,000 for a work disability, and \$50,000 for a functional disability.
- 7/ **Maryland**: The number of weeks of benefits is increased by 33 1/3 percent, if the number is at least 250.
- 8/ **Massachusetts**: Provides for lump sum payments for scheduled injuries which are determined by multiplying the State average weekly wage by a certain number (in parenthesis); maximum payment for non-scheduled injuries is maximum weekly PPD payment multiplied by maximum period.
- 9/ **Missouri**: If the scheduled injury is total by reason of severance or complete loss of use thereof, the number of weeks of compensation allowed in the schedule for such disability shall be increased by 10 percent.
- 10/ **Nebraska**: Loss of hearing in both ears constitutes permanent total disability.
- 11/ **New Jersey**: Where members are amputated, an additional 30 percent is added to the award.
- 12/ **North Dakota**: Benefits are increased by 25 percent if loss is to master arm or hand.
- 13/ **Ohio**: For non-scheduled injuries, weekly benefits are based on a percentage of permanent partial disability not to exceed 1/3 of the State average weekly wage for a period of 200 weeks.
- 14/ **Oregon**: Law provides for a payment of \$511.29 for each degree of scheduled injury in monthly payments.
- 15/ **Puerto Rico**: The manager of the State Insurance Fund determines the extent of an eye disability, based upon an expert report of an oculist.
- 16/ **Washington**: Law provides for the payment of fixed sums based on the percentage of disability, or combination thereof, at the time of injury. The sums are adjusted each July to reflect changes in the consumer price index; however, adjusted sums only apply to new claims effective on or after date of adjustment.
